The company preparing this note declares that, to the best of their belief, the goods have been accurately described, their quantities, weights and measurements are correct. At the time of despatch they were in good order and condition.

Destination Control Statement

These items are subject to U.S. Export Administration Regulations (EAR) whether or not they are exported from the United States of America.

These items (commodities, technology, services or software) are controlled by the U.S. government and authorized for export / re-export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. government or as otherwise authorized by U.S. law and regulations.

If these goods are to be delivered to a country within the European Union: please be advised in accordance with article 11(9) of EU Regulation 2021/821, that these goods are subject to controls. If they are to be exported out of the European Union, the exporter must acquire the relevant export licenses.

The export control laws and regulations of other countries may apply in addition to those of the United States of America, the European Union, and/or relevant European Union member states.

Sophos may suspend certain or all security updates, upgrades, downloads and functionality to or of the products and/or services provided to you if Sophos believes that the products and/or services are, or may be, located in, provided in, or accessed from certain embargoed and restricted jurisdictions, which may be updated by Sophos from time to time without notice.

A breach of the export provisions of the relevant agreement governing your access and use of Sophos products and services, as applicable, is considered a cause for termination of that agreement.

For more information regarding the export of Sophos products and services, please see: <https://www.sophos.com/legal/export> or contact your Sophos representative.
